Reports

Introduction

The **Reports** section of ECF includes reports that are available within ECF and links to PACER reports which are subject to fees. Here are the reports:

Name of Report	Description
Docket Sheet - PACER	View a docket sheet.
Multiple Docket Sheets - PACER	View multiple docket sheets.
Judgment Index - PACER	
Calendar - Monthly - ECF	Can set criteria. Run Report. View Calendar entries. Clicking on links requires PACER.
Calendar Events - ECF	Can set criteria. Must include an End Date. Clicking on links requires PACER.
Docket Activity - PACER	Displays transactions during a specified period of time.
Written Opinions - ECF	Can set criteria. Clicking on docket report links requires PACER. Clicking on the document number hyperlink for an opinion order does not assess a fee. Clicking on the document number hyperlink for an order which is not an opinion order will be subject to fees.
Activity in My Cases - ECF	Run by a specific date.
My Pending Cases - ECF	Displays list of cases. Clicking on links requires PACER.

Transaction Log

The Transaction Log is a report of all transactions entered under the login currently being used. A date range must be set.

This feature is under **Utilities** and is a valuable tool to review transactions and verify that all transactions entered under your login are reflected and that no unauthorized individuals have entered transactions into ECF using your login and password.
