OTHER INFORMATION

Are you familiar with the statutes, rules and practice governing alternative dispute resolution in the District of South Carolina? yes no

Other relevant experience or skills or other information you would like considered in connection with this application: I have participated in approximately 40 trials. I have been practicing for over 25 years. I understand a plaintiff's perspective and what a plaintiff needs to resolve a case. I also understand that the defense side has many layers, relationships and issues outside the underlying case that have to be dealt with so a settlement offer can be put on the table. While the law in the courtroom may be rigid, the practical issues, desires and fears the Parties face are often fluid. Those issues need to be massaged and explored to determine what is a "need" and what is a "want" so the case can be settled. My years of practice help me to see the bigger picture which will help me get a case settled.
